NUTRIMO
AGRI SCIENCE

Product Catalogue 2026

Fertilizers • Crop Protection • Bio-stimulants • Organic & Bio

Nutrimo Agri Science offers a complete portfolio of research-driven inputs for every stage of the crop cycle. This catalogue summarises our core range. For pack sizes, prices and dealer availability, contact our sales team.

Fertilizers

Product	Type	Recommended use	Dose (guidance)
NutriGrow 19:19:19	100% water-soluble NPK	All crops – vegetative stage	Foliar 5 g/L; Drip 3–5 kg/acre
NutriBloom 00:52:34	Mono potassium phosphate	Flowering & fruit set	Foliar 5 g/L
NutriFruit 13:00:45	Potassium nitrate	Fruit development & quality	Foliar 5–10 g/L
NutriCal Calcium Nitrate	Secondary nutrient	Vegetables, fruits, flowers	Drip 5–10 kg/acre
ZincMax Zn-EDTA 12%	Chelated micronutrient	Paddy, wheat, maize, pulses	Foliar 0.5–1 g/L
MicroMix Grade-II	Micronutrient mixture	Fruits & vegetables	Foliar 2–3 g/L
SulphoPlus 90%	Bentonite sulphur	Oilseeds, pulses, onion	Soil 3–6 kg/acre

Crop Protection

Product	Type	Target	Dose
ShieldGuard Imidacloprid 17.8% SL	Systemic insecticide	Sucking pests	As per label
LarvaKill Emamectin Benzoate 5% SG	Insecticide	Caterpillars, borers	As per label
FungiStop Mancozeb 75% WP	Contact fungicide	Blights, leaf spots	As per label
AzoShield Azoxystrobin 23% SC	Systemic fungicide	Blast, sheath blight, mildew	As per label

WeedClear Pendimethalin 30% EC	Pre-emergence herbicide	Grassy & broadleaf weeds	As per label

Bio-stimulants

Product	Type	Benefit	Dose (guidance)
RootBoost Humic 98%	Potassium humate	Root development, soil health	Soil 500 g/acre
SeaVigor Seaweed Extract	Liquid bio-stimulant	Flowering, stress recovery	Foliar 2 ml/L
AminoPower	Amino acids	Vegetative vigour	Foliar 2 ml/L
BloomPlus GA 0.001% L	Plant growth regulator	Fruit set & size	As per label

Organic & Bio-fertilizers

Product	Type	Benefit	Dose (guidance)
BioPhos PSB	Phosphate solubilising bacteria	Improves P availability	Seed 10 ml/kg; Soil 1 L/acre
BioNPK Consortium	Microbial consortium	N fixation, P & K mobilisation	Soil / drip 1 L/acre
VermiGold Organic Manure	Enriched vermicompost	Soil conditioning	Soil 200–400 kg/acre
TrichoGuard Trichoderma 1% WP	Bio-fungicide	Soil-borne diseases	As per label

Doses are general guidance. Always read and follow the product label and leaflet, and consult a Nutrimo agronomist for crop- and region-specific recommendations.
